Good Morning Wonga,

Thanks for the birthday discount.

Hi Wonga

I don't know that I have told you this "You are the most professional and effective person that I have dealt with" once again thank you for the professional service you offered me. I have another friend of mine who is looking for a place around Highveld walking distance to discovery, she is looking for two beds, two bath, one living area, kitchen, one garage if possible and most importantly it must have a private garden. Can you help this friend of mine or perhaps refer me to someone who can help her. By the way she is willing to pay +- R4200.00.

Kind Regards
Lawrence

I am grateful for your emails, and I find them rather informative...thank you for your articles..

Hope you doing well. Never really got a chance to say thank you for looking out for my apartment while I was away. Everything was in order when I came back. I have transferred the rental for February this morning.
Enjoy your day

Thanks for the clarification, one thought will be homeless in no time. Apologies. Forgot to update you. I contracted with them directly in case bigger things in life comes or maybe even smaller, then I will be able to keep it when I move around.

But I must say, you really take good care of your tenants. I know you have been long in the system, but compliments are never enough.

One last thing, do you also sell properties?

Cheers,

L.

I would like to express my sincerest gratitude to you for the great stay I had here. If it was possible I would move you and the unit with me. It's all highly appreciated.

Kind Regards

Katlego

I appreciate your assistance and support throughout our stay in Phillip Nel Park, and I believe you will continue with your splendid work for other people also. We will definitely refer other interested clients should we have any, and the word will definitely be spread. Once we have finalized the date of evacuating the house, which will definitely be before end of March, I will inform you.

Thank you for everything you have done for us, and God bless you.

Lerato.
